SUBJECT : CANADIAN PLASTICS INDUSTRY ASSOCIATION APPOINTS AMIR KARIM ON ITS BOARD OF DIRECTORS

Polykar Industries is pleased to inform its clients that Amir Karim, Vice-President, Business Development, has been appointed to the Board of Directors of the Canadian Plastics Industry Association.

The Canadian Plastics Industry Association (CPIA) represents plastic fabricators, recyclers, resin and compound manufacturers, and machine and tool makers throughout Canada. Its mandate is to promote the plastics industry through public and government communication programs, as well as through programs that encourage the reuse of plastic materials.

Founded in 1987, Polykar is a family-owned manufacturer of polyethylene film, garbage bags and food packaging. In 2003, its St-Laurent production facility obtained joint ISO 9001 and ISO 14001 certifications. Polykar is also a member of the Canadian Plastics Industry Association (CPIA), The Canadian Sanitary Supplies Association (CSSA) and the Canadian Federation of Independent Business (CFIB).
