SUBJECT : POLYKAR ACQUIRES THE FOOD PACKAGING PRODUCT LINE FROM DRUMPACK

Polykar Industries is pleased to inform its clients that it acquired the food packaging product line from Les Plastiques Drumpack Inc. of St-Nicéphore in Quebec.

The production line will move to the St-Laurent facility that has recently received approval from the Canadian Food Inspection Agency (CFIA) to produce food packaging.

Polykar now offers ultra clear and high strength food bags as follows:

- SR Series: food bags from 2 ounces to 25 lbs,
- SX Series: extra strong freezer bags from 1 lb to 25 lbs,
- PF Series: perforated bags from 2 lbs to 25 lbs.

To obtain the effective price list for the SR, SX and PF series products and for further information, please contact:
